Dear Mr. Hoffman:

I cannot believe that Natalie is finishing her time at the Academy and starting Kindergarten in the Fall. The time went by so fast. I wanted to take a few moments to sincerely thank you and your wonderful staff for everything that you have done for my family.

Natalie has loved every day that she has spent at the Academy over the last three years. Her younger brother Brody has also enjoyed his first year at the Academy. Finally, and most importantly, Sarah and I have appreciated the peace of mind that the Academy has given us. Your staff has consistently gone the extra mile on a daily basis for our kids, and it has not gone unnoticed.

Thanks to the Academy, Natalie is ready for Kindergarten. That is not surprising to us. We picked the Academy in the first place because my wife, as a Kindergarten teacher, saw firsthand that her kids from the Academy were prepared for Kindergarten the first day they walked through her door.

We are extremely grateful for the constant attention that your staff has provided to Natalie and Brody. Thank you for helping us get Natalie to where she is today. Enjoy the summer. We will see you in the Fall when Brody starts year two.

Sincerely,

Gregg Peugeot
